

Moo Cow Cottage Dog agreement.

Moo Cow Cottage is very popular with dog owners, the large enclosed garden with fencing and hedging means you can open the kitchen door let the dog out and relax knowing the dog can go nowhere.

We allow up to 2 well behaved dogs to stay at the property at £20 per dog per stay.

Please adhere to the following Rules:

- Dogs must not be left alone inside the cottage while you go out for the day unless you put your dog in a crate (we can provide you with one) or are prepared to allow the dog to run around the garden. (Dogs that are left alone inside a house that they are not familiar with can fret and cause damage and sadly we have had an incident of this).

If you do leave the dog or dogs in the garden then **DO NOT** leave the cottage doors open, please use the laundry shed if you want somewhere for them to shelter.

- Dogs must be house trained & well mannered.
- Flea treatment & vaccinations must be up to date.
- Dogs must be under control at all times and not off the lead when outside the boundaries of the cottage
- Dogs are not allowed upstairs or on furniture
- *Dog owners are required to clean up any fouling*
- *You agree to report any damages caused by your dog and agree to pay to fix or replace what they have damaged.*
- *Dog owners understand that they need to bring their own bed, crate, food, dog lead etc.*
